QUIZZZ

The screenshot shows the Quizizz admin dashboard for a quiz titled "Need and Significance of English". The quiz is created by joycilin Shermila, 2 years ago, and has 0% accuracy with 0 plays. It is categorized under "Professional Development". The interface includes options for "AI Enhance", "Worksheet", and "Copy and Edit". There are three main action buttons: "Start a live quiz" (Instructor led session), "Assign homework" (Asynchronous learning), and "Paper mode" (No devices needed). The quiz contains 10 questions, with two visible: "English is the language of trade, communication, science and...?" (Multiple Choice, 30 seconds, 1 point) and "Does English open new career opportunities?" (Multiple Choice, 30 seconds, 1 point). The right sidebar shows other quizzes like "Personal Development Review" and "Goal Setting Unit Review".

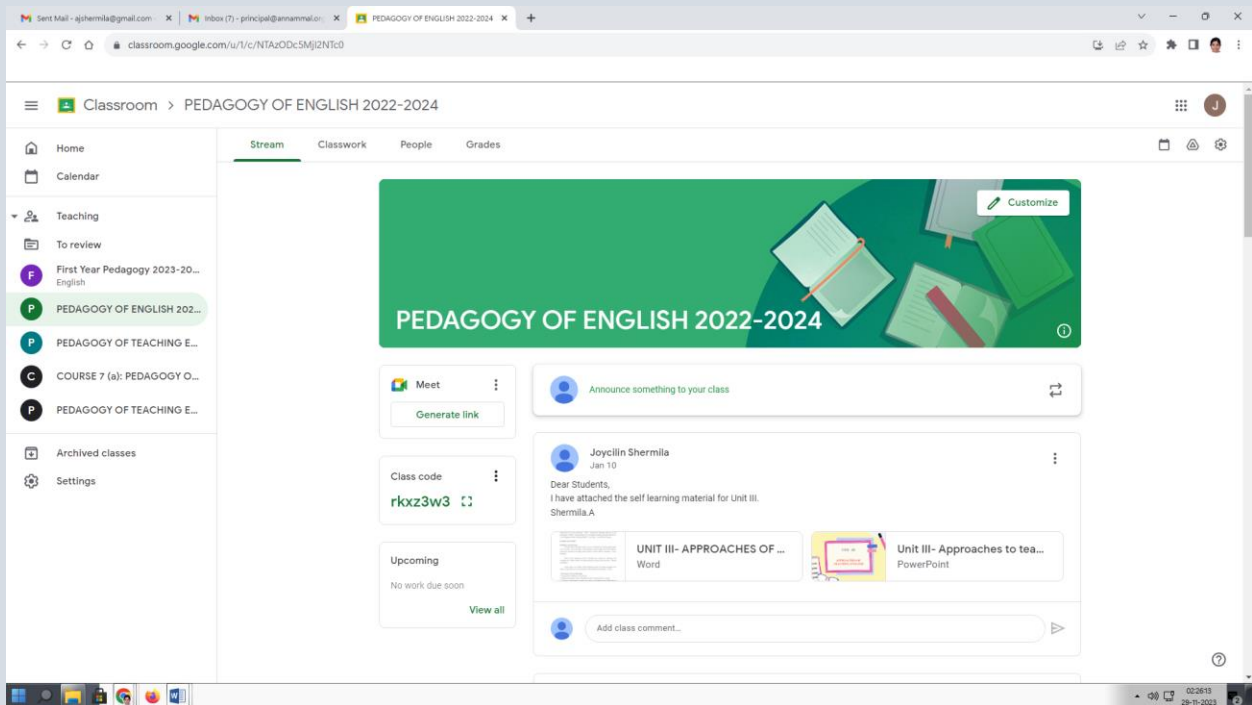

The screenshot shows a Quizizz game screen titled "Steps in Microteaching". The screen displays four colored boxes, each containing a sequence of steps in a different order:

1. Plan-teach-feedback-re-feedback-reteach-re-plan
2. Plan-Teach-re-plan-feedback-reteach-re-feedback
3. Plan-Teach-Feedback-re-plan-reteach- re-feedback
4. Teach-Plan-Teach-Feedback-Reteach-Re-plan-Re-feedback

The game interface includes a "Streak" indicator showing 0/1, a progress bar, and a "1/10" question indicator. The background is a dark purple gradient.
