**Special Lecture on Science for Sustainable Development'**

**10.05.2023**

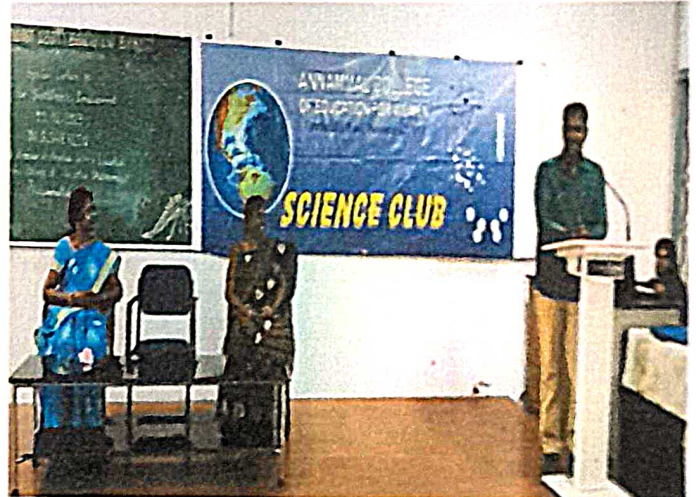

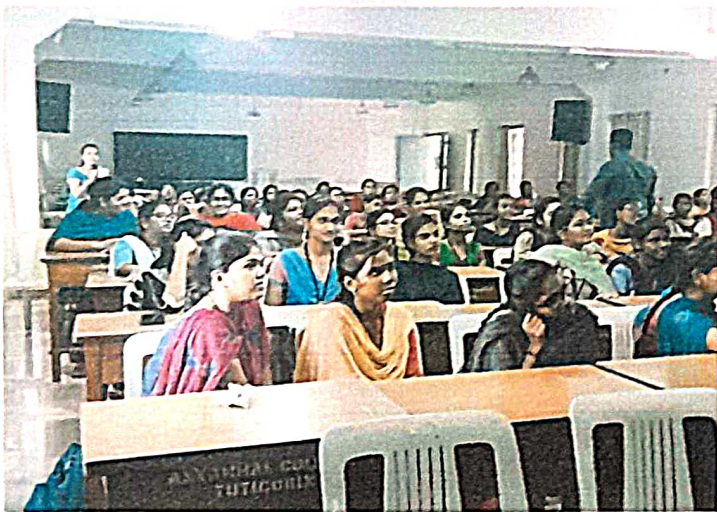

The Science club of Annammal College of Education for Women, organised a Special Lecture on Science for Sustainable Development' for the Physical science students on 10.05.2023. Dr. A.P. Chaaru Latha Associate Professor of Physical Science welcomed the gathering and introduced the resource person. DR. S. SHERLIN Assistant Professor of Physical Science Education, St. Xavier's College of Education (Autonomous) Palayamkottai served as a resource person for this special lecture. He started his presentation by interacting with the students through asking some common questions. Then the resource person explained about science as process and science as product. Then he list out the empirical evidences behind science and explained how scientific theories, laws, rules, principles paved the way for sustainable development. Then the resource person clarified the questions raised by the students. Science club secretary Ms. Mafrin Fernando proposed the vote of thanks.
