Report on the Visit to Venus Home Appliances

08.02.2023

As a part of the MoU signed with Venus Home Appliances Pvt. Ltd. Thoothukudi, The first year B.Ed. students were taken to the factory for the industrial visit. 47 students who belong to batch I were taken for the visit. The academic curriculum of B.Ed. focuses on engaging students in practical experiences to make them aware of the career opportunities and practices in the local community. Hence the visit is organized. The students were taken around the different departments to see the various tasks involved in them. Ms.Priya and Ms.Meena served as the guide and explained all the features of the different sections in the water heater and ceiling fan production unit to the students. This visit provided the students with the understanding of the water heater and fan production. After the visit the students were provided with a small kit as a token of remembrance and a drink as refreshment.
