## Special Coaching

### UGC- NET Coaching and JRF eligibility for M.Ed. students

The National Educational Testing Bureau of University Grants Commission (UGC) conducts National Eligibility Test (NET) to determine eligibility for lectureship and for award of Junior Research Fellowship (JRF) in order to ensure minimum standards for the entrants in the teaching profession and research. The tests are conducted twice in a year, in the months of June and December. The JRFs are awarded to the meritorious candidates from among the candidates qualifying for eligibility for lectureship in the NET. JRFs are available only to the candidates who opt for it in their application forms.

NET is an added advantage to any student who completes Masters Degree in Education with 55% and above. A Pass in UGC-NET Examination is the basic requirement of lectureship in Colleges of Education. Hence we offer UGC-NET Coaching in our institution from 2002-2003, to enhance the employability of our M.Ed. students. We provide quality study materials to our students for UGC-NET examination.
