

ANNAMMAL COLLEGE
OF EDUCATION FOR WOMEN

Research Club

The Research Club of Annammal College of Education for Women has taken the initiative developing the research culture of the institution under the umbrella of Research Club. This platform is given to students and faculty members to explore their unlimited thoughts and ideas on current issues in Education. Research club involves the academic fraternity in conducting various workshops, seminars, conferences and also as a part of faculty extension activities.

Objectives

- To motivate the students and faculty to involve in research activities
- To build the research culture of the institution through various initiatives
- To inculcate research aptitude among the students
- To strengthen the resources of the institution needed for research and development

Activities

- Conducting workshops, conferences and guest lectures in educational research
- Guiding the M.Ed. students in successfully completing their dissertation and related works
- Motivating the students and faculty to undertake institutional research projects
- Encouraging the faculty and students to publish research articles in reputed journals
- Encouraging faculty and students to participate in Workshops, Conferences and present research papers
